**ESSAY COMPETITION ON COVID-19 PANDAMIC**

**Dear Students,**

Hope all of you are safe during this lock down period due to Covid-19 Pandemic in the county. I feel happy to inform you that IChE headquarters had decided to conduct one online essay competition among the student members of IChE at the respective Student Chapter on the topic **“Role of Chemical Engineers to combat COVID–19 Pandemic”**. The min idea is to motivate our students during this lockdown period. However after my formal request to the headquarters, the competition is open to all the registered students of our department (B-Tech, M-Tech & PhD).

The criteria for the online essay competition are mentioned here below:

Participant: **Must be a student of Chemical Engineering**

Word Limit: **700-1000 words**

Text Style: **Times New Roman, 1.5 line Spacing**

The students are advised to mail the essays in prescribed format along with their details to the under signed at **trasool440@gmail.com** on or before **25<sup>th</sup> April, 2020**.

A three member team will judge the submitted articles and select the best one to be forwarded to IChE Headquarters by 30th April, 2020. I would also like to inform you that that the best two students will be awarded with a certificate of appreciation and a prize money about Rs. 5000/-. The award may be given in the SCHEMCON-2020 / CHEMCON 2020.
